---

**THERE IS ONE (1) PAGE OF QUESTIONS, INCLUDING THIS PAGE.**

---

**INSTRUCTION: Answer the question.**

**Question**

*“The Robison family has to initiate emergency land at an alien planet nearby Brown eye nebula. While waiting for Mureen Robinson to fix the ship, Mr Robinson needs to go for hunt to replenish their food supply.”*

Based on the synopsis above, an alien creature which Mr Robinson hunts will be an animal that must have **FOUR (4)** legs and have combination of deer and moose. Use your imagination to create this animal as alien creature which lives in this planet.

You need to use a A3 paper, a HB pencil, a 2B pencil and a black ink drawing pen to complete the project.

You must follow these steps:

- I. Use a A3 paper.
- II. Use a HB pencil to create an outline or a one-point perspective guide.
- III. The outline must be visible and intact, do not erase it.
- IV. Use a 2B pencil, create a sketch of the interior
- V. Finalize the drawing using a drawing pen.
- VI. Do not erase all development lines and sketches. It must be visible and intact.

[100 Marks]
